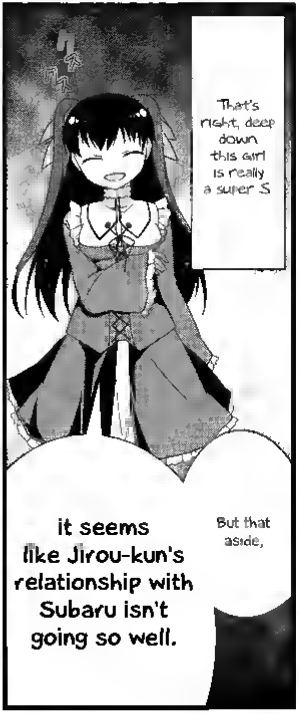
Subaru Konoe.
The most popular mmee among the female student population
Kyaa~! Subaru-sama! We're next!
Ju-just a sec I'll be right there
As popular as ever
Tanlez
Thanks
whisper
whisper
That chest looks so realistic
It's really well made
The "cross-dressing" issue aside, no matter how you look at her, she's beauty.
Of course
To see Subaru-sama "cross-dressing", there's even a line forming outside.
03

Jirou-kun
The only students who know this secret are myself and-
that's because she really is a girl
She concealed her gender in order to become a butler
Kanae's master, the daughter of the Suzutsuki family.
Not only that, she's as the idol of the male student population, Suzutsuki Kanade.
I was forced to cross-dress too
It's the fault of all the female students in our class...!
That outfit really suits you
everyone is so busy, don't be lazy

In the beginning there were hardly any votes for it but then...
Then let's vote on this
For the female cross dress café
Subaru dressed up as a girl
The vote suddenly passed
SO THIS IS ENTIRELY YOUR FAULT!!

*heart beat
Also, recently it looks like there's another girl frequently hanging around Jirou-kun

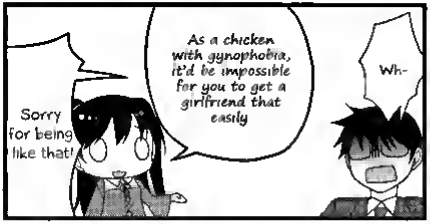


That's right, deep down this girl is really a super S
But that aside,
it seems like Jirou-kun's relationship with Subaru isn't going so well.

Don't tell me... she's your girl-friend?
*nya!

U-
That's right, I'm currently pretending the two of us are a couple.

How do you know ...!?
About you and that person pretending to be lovers.
Unlike Suharu I already know about everything
Eh? What do you mean?
Forget it If you don't want to talk about it.



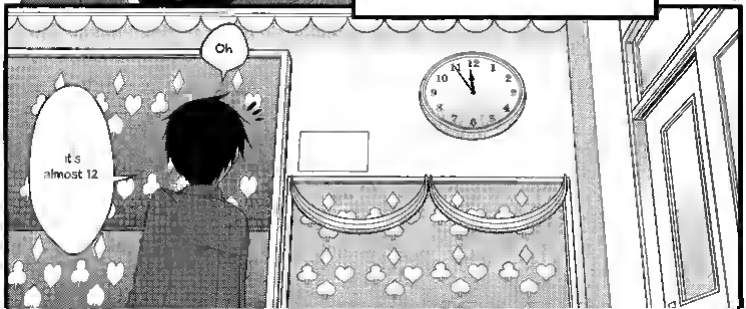
Sorry for being like that!
As a chicken with gynophobia, it'd be impossible for you to get a girlfriend that easily
Wh-

08

!!
Well... you watching and watching the whole time!?
Because of that you were forced to break your promise to hang out together at the culture festival—
right?
More than likely that's the reason why Suharu is acting like this

Oh I was just snooping for more information
Seems like I guessed correctly

There must be a reason behind you doing this
...But be careful that girl is unexpectedly stubborn
She'll do whatever it takes to make it happen
What are you talking about?
I mean what I just said but if you need help come find me
Well then I'm going to the gymnasium to assist with the program I'll leave the rest to you
Y-yeah...



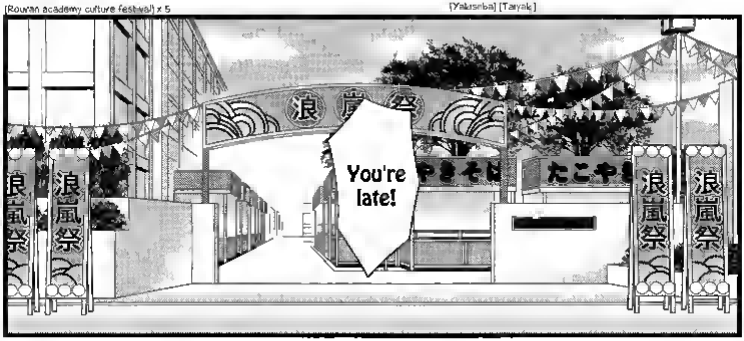
Oh
It's almost 12

I'm meeting with Usami at noon
With the exception of Sakaru-sama It's time to change with those on the afternoon shift~
Eh!? Why don't I have a replacement!?
As the number one attraction, you can't take a break!
So unfortunate
Have to change quickly...
*sneaks away
Despite what Suzutsuki said I don't think Konoe will get involved

08

[Rouran academy culture festival] x 5

[Yakisoba] [Takoyaki]



You're late by two minutes and twenty eight seconds
Don't you know the plan inside and out?
If you don't take this seriously, we won't look like lovers
This is Masamune Usami
ドン
In order to convince the girls of the Konoe fan club that I'm not dating Konoe-
I'm helping you out of good will, you know!
I promised that we'd pretend to be lovers during the culture festival
Know! I know!
Eh? What?
Well then, please take care of me.

Since this is a date you have to plan out everything we do today!
Wh-
Didn't you think about it?
You're the worst. Never been on a date before?
If that's the case maybe someone as experienced as you should decide!

U-
Given your reaction is this also your first date?
So what if it's my first date!?
I'm just nervous because this is my first time!
She does look nervous.. and to be able to say something like that..

[tayak] [yak soba] [corn dog kun]
[Kou]
[candy] [takoyak]
[festival]
Despite all of that, the date has started
...y-yeah!
Fi- whatever, let's start with the stall over there okay?
Oh! Look over there Baka-Chiki!
O-oi!
If we continue to touch like this, then my condition (nosebleed)...
!
What is this? Is this torture in heaven!?
Geez~ Are you listening to me?

Who is treating you? Haven't I already been treating you to lunch daily until now!?
You're treating me?
Hey are you hungry?
No you'll be the one treating me

[takoyaki] tn: bite size octopus balls a round soft doughy snack with octopus bits topped with sauce, bonito flakes and other condiments

Something happened so I couldn't continue with my part-time job so I haven't had anything good to eat recently
What have you been eating then?

If you put it on the free bread from the bakery giveaway, it's really good
Fine! I'll take one!
One order of takoyaki
Condi-ments !?
Mayo-nnaise.

How should I say this?
She's the complete opposite of Suzutsuki
Suzutsuki hides all of her thoughts while presenting a perfect facade,
whereas Usami expresses her feelings without reserve and is hard to get along with.

The other two
This is really something else...
I've been hanging out with the other two for too long.
Takoyaki~♥

Why are you saying that all of a sudden?
Th-that's because...
like...
I really like him
Who's staring at you!?
Don't stare at me with those perverted eyes!
It's like they're from different worlds.
Really how could someone like you become so close to Subaru-sama?
Ha?
What I like about him
isn't his appearance
Then what is it that you like?
That's right. Konoe looks pretty cool
No...

Eh?
Hurry up! Act like we're a couple!
pass
...Hmph! I'm not telling you!
Don't tell me...
we're trying to attract attention by being close...
Hurry up!
And close your eyes...
I feel embarrassed being looked at...
モミ モミ
shyness
Fine fine

Tn, a soft pastry like pancake, shaped like fish (tai means bream in japanese), filled usually with red bean paste or custard stuff

*boom

16

Is there a problem?
I'm your friend.
O-oi wait-
Since you could expose my secret to your girlfriend
I'll be hanging out with both of you from now on!
This isn't good. Konoe definitely won't back down...
I finally understand what Suzutsuki meant
She's going to force me to fulfill that promise.
ジロリ
17
Oh sorry Usami Konoe wants to hang out with us
Oh ? But if that happens our plan will fail!
Do you know what's going to happen-

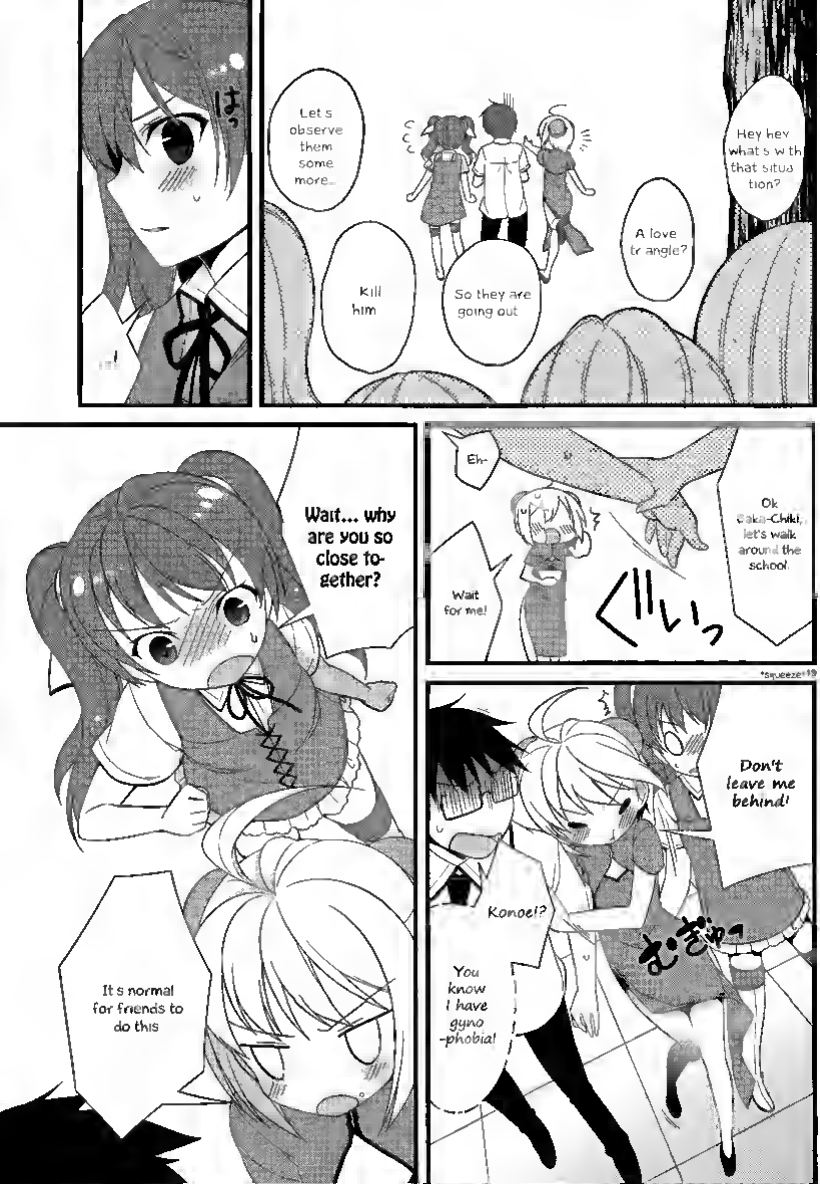
Oh... okay
Please take care of me...
Jirou...
Hm?

Usami's vision
Well then, I'll be joining the two of you.
Please take care of me.
Reality

You saw that!?
But you bought some for her...

Buy it yourself!
I want some takoyaki too Please treat me.

Jirou...
Grr... I get it



はっ
Let's observe them some more...
Kill him
So they are going out
A love tr angle?
Hey hey what's w th that situa tion?
Eh-
Wait for me!
Ok Saka-Chiki, let's walk around the school
squeeze
Don't leave me behind!
Konoe!?
You know I have gyno -phobia!
むぎゅ
Wait... why are you so close to-gether?
It's normal for friends to do this

Wha-
S-
sneaky!
Actually
using
your body
like that!
Then-
Then
I will also
Ha!?

It's definitely not normal!
Guys acting like that...!
That's not good
It definitely isn't
That guy is tricking Subaru sama and two timing at the same time.
Kill him for the good of the society!
Quick contact the superiors
We'll kill that glasses wearing bastard---

Catch
Sakamachi Kinirou!
!??
?
Run away!
Baka-Chiki!!!!

I've escaped temporarily but what should I do now...?
The plan failed
I lost Usami and Konoe
Glasses wearing super homo...come out!!
Where did that guy go!?
!!
浪
Huff Huff
Crap!

If you need help, come find me.
...!

then I'll just—
Hello hello~
Testing testing~
If I can prove to them that I'm not homosexual—
Right...!
だっ

Testing mic-
Jirou-kun?
Su-
Suzu-tsuki!
He's over there!
Let me borrow this microphone Suzutsuki

You're still spouting excuses even now!?
Die-
Kill him
Ugh
Listen to me! It's a misunderstanding!
Konoe and I are just friends!
Looks like I won't be able to talk my way out of this.
I'll have to resort to this. sorry Suzutsuki
Jirou's voice?
Listen to me, all of you!
The one that I really like-
25

Is the one standing here: Suzutsuki Kanade!
Wh !?
Eh ? Was that a confession?
But he and Subaru sama
The reason I'm close to Subaru is that I want to become closer to Suzutsuki!
Is that right ?
So that's it
U—!

Thank you, Sakamachi -kun
But, I'm sorry.
Give me the microphone
...So that's it
Now then, Suzutsuki's rejection
Suzu-tsuki?
You really are a nice person
but to me... you're just a classmate
To be honest
you're just a nice guy, so I'm sorry.
No, that's fine...
That's something you don't want to hear as a guy...!
But if you have any problems you can always ask me for help
Don't hesitate to ask
You're a nice person.
Even though this worked out fine, it feels like I've lost. What's going on!!!

Please continue to work hard.
Sorry for the misunder standing
Your confession just now wasn't bad
What's with the sympa thy...!?

Uhm... please accept this...

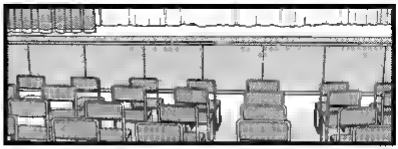
28

I'm actually quite angry, you know!
EH?



Why do you look so depressed?
Your confession plan really worked out
But what you said afterwards was unnecessary...
So diaboli cal

What is the meaning of this ?
I'll give you a little taste of it
So now, it's my turn to punish you.
Although I helped you because you were being pursued, to confess in front of all those people...
That was really lame.
Wha-?
"squeeze" 29
Jirou-kun,
I like you a lot.
!!?

On the way could you explain to me what actually happened?
Culture festivals are rare Let s not miss out on it okay?
Now let s go

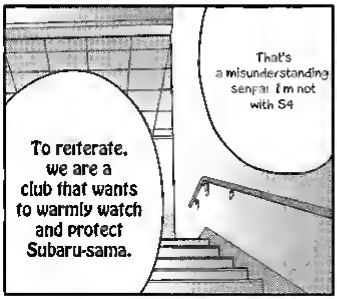
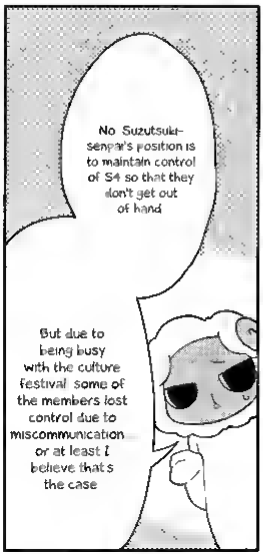
The president of S4!?
Don't tell me you were the one who wanted to kill me...!

I'm Nakuru
I'm also a first year in the hand crafting club with Kureha
in addition to being the president of Subaru-sama fan club



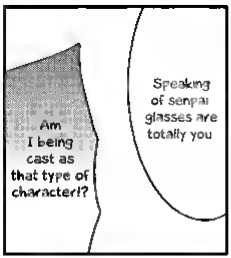
That's a misunderstanding senpai. I'm not with S4
To reiterate, we are a club that wants to warmly watch and protect Subaru-sama.

Why does everyone think that I'm into BL...?
キャー!
Our fan club
wants to protect Subaru-sama and senpai's BL relationship.
どーん
That is the reason behind our existence
And why are there two different fan clubs...?

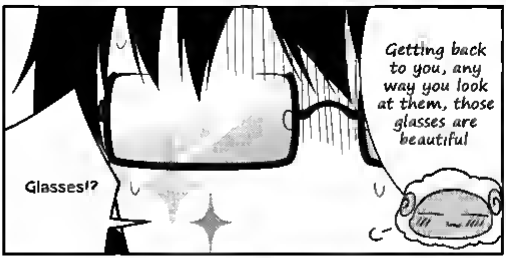


No. Suzutsuki-senpai's position is to maintain control of S4 so that they don't get out of hand
But due to being busy with the culture festival some of the members lost control due to miscommunication or at least I believe that's the case

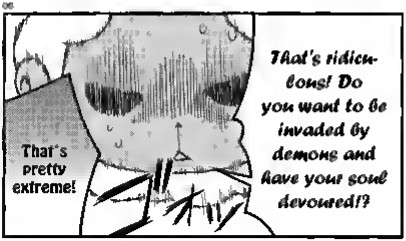
By the way, the president of S4 is Suzutsuki
Behind the scenes, she's the real boss!?



Speaking of senpai glasses are totally you
Am I being cast as that type of character!?

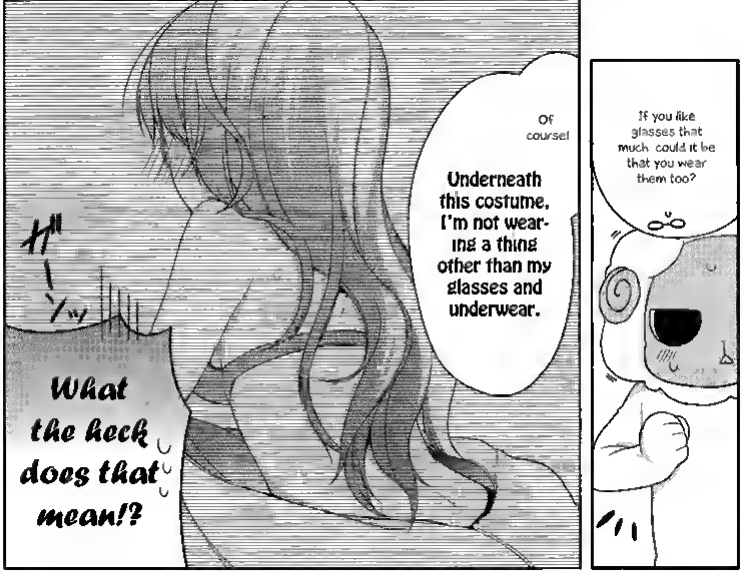


Getting back to you, any way you look at them, those glasses are beautiful
Glasses!?



That's pretty extreme!
That's ridiculous! Do you want to be invaded by demons and have your soul devoured!?

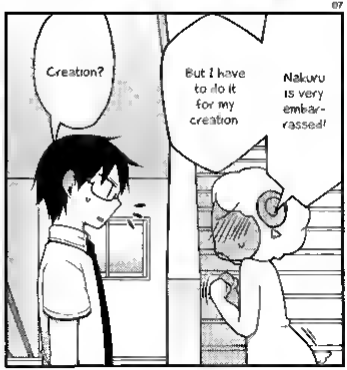
Maybe I should try wearing contact lenses
our club would cease to exist
You could even say that if senpai didn't have glasses



What the heck does that mean!?
Underneath this costume, I'm not wearing a thing other than my glasses and underwear.
Of course!
If you like glasses that much could it be that you wear them too?

Nakuru is the type that wants to personally experience everything in order to create her work.
In reality I'm a manga artist

That inside this is a sensual display
Now she's showing an embarrassed expression.



Nakuru is very embarrassed!
But I have to do it for my creation
Creation?

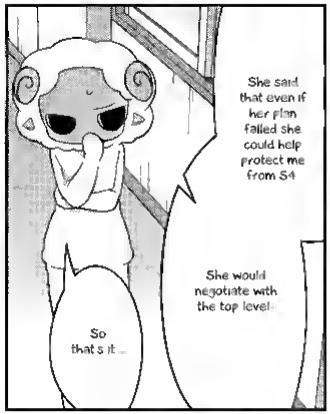
My new project's main theme is a senpai being forced to do hentai-play by wearing only glasses and under wear underneath an animal costume
Fighting battles out of your love for Subaru-sama
Therefore, I want to understand senpai's feeling-

The reason that we're chatting now senpai
Nakuru was looking for you
Why were you looking for me?

OUCH!
ばちーん

This... this one... although I can sense an aura of maturity...
but her aura is also extremely perverted ..!
Geez that's mean

...What is that supposed to mean?
I feel that it'd be better if you didn't trust Usami-senpai.
Although I don't know what was said
Recently senpai has been hanging out with Usami-senpai right?
That's right...
because of that... our "warmly protect club" started circulating rumors that you were dating Usami-senpai
Although it is just Nakuru's guess...
Even though Nakuru doesn't like to say anything bad about senpai
Oh... please don't get angry



She said that even if her plan failed she could help protect me from S4
She would negotiate with the top level
So that's it...

Isn't senpai being forced to be with Usami-senpai in order to make it look like you're in a relationship?
While that is correct I wasn't really forced into it

Position?
I know Usami's actual position in the group
Nakuru has been in S4 for a while

You said it
If the plan fails I'll try to negotiate with the top level
Although I don't know her goal
her plan to negotiate with the top is definitely a lie

Usami-senpai did join S4 to find out more about Suharu-sama
but her relationship with other members isn't that good

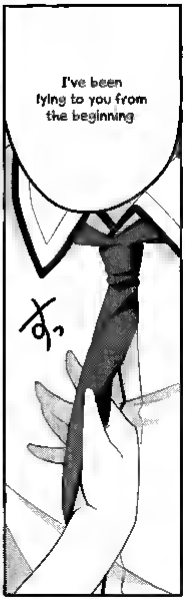
^ empty bubble on purpose

Hey Baka Chika did Nakuru tell you everything?
Did she tell you about how I've been lying to you?
Usami... you...

...I'm sorry Baka-Chika
Everything you heard from Nakuru is true

I was too careless I didn't realize the one hiding in that suit was you
Even though I took extra precautions...
Usami-senpai...
Hey hey..

to be honest, I didn't care what happened to you from the start.
So...



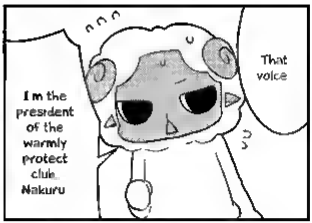
I've been lying to you from the beginning

Please explain everything to me from beginning
Suzu-tsuki
!?

Please wait Usami-san
!

I'm really sympathetic
Then I suppose you know that I'm the president of S4?
O-oh.
In that case tell me one thing

Suzutsuki senpai
Although I figured out why some of the members of S4 went out of control



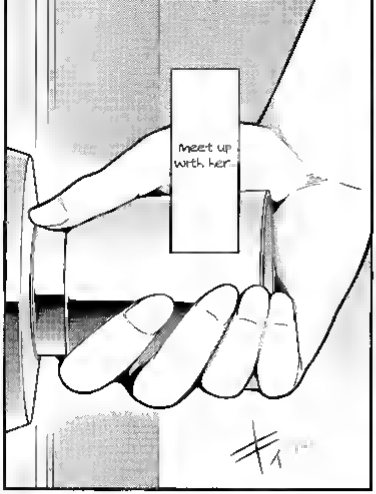
That voice
I'm the president of the warmly protect club Nakuru

14

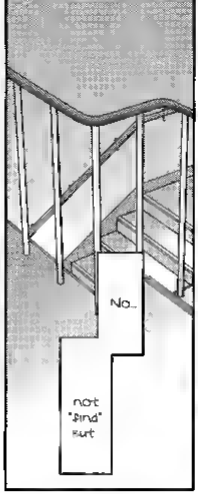
...It has nothing to do with you.

why as a member of S4 did you want to create
the illusion that you two were a couple?

Why was that girl lying to me ?
Jirou-kun go after Usami-san
It looks like she may do something rash..
I'll explain everything to Konoe
Oh..!
15
...Sorry, Suzutsuki.
嵐祭
There's something I wanted to know...
That girl. What is she thinking?
Speaking of which, what she was saying back then



meet up with her



No...
not "find" hurt

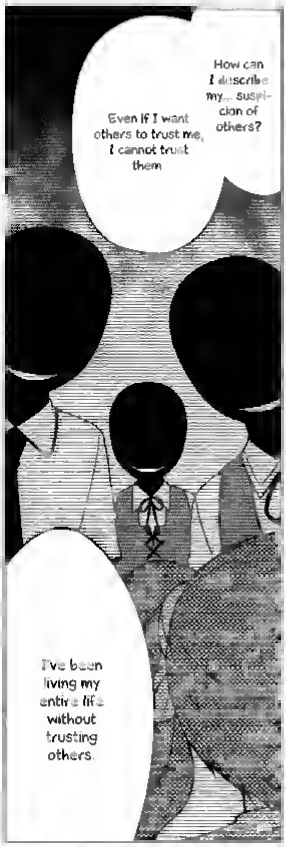
I have to find Usami

at her favorite place-
!

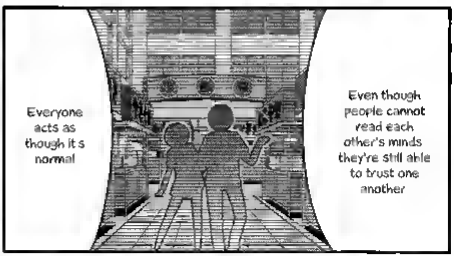
...You surprised me.
You really know this place well,
Baka-Chiki.
!?
What is that girl doing ..?
Please explain everything to me About why you were lying-

But-
Don't worry about that, just tell me
I'm sorry It's my fault that you broke your promise with Sulenru-sama
it's over.
Are you a mind reader? A clairvoyant perhaps?
Eh?
Are you an esper? Do you have some sort of special power?
What do you take me for some kind of alien?
Hey Baka Chiki can I ask you one last question?
What?

Oh haha. that's right I guess they don't exist
What are you getting at?
Nothing. I was just thinking that humans are amazing
Eh?



How can I describe my... suspicion of others?
Even if I want others to trust me, I cannot trust them
I've been living my entire life without trusting others.



Everyone acts as though it's normal
Even though people cannot read each other's minds they're still able to trust one another

19

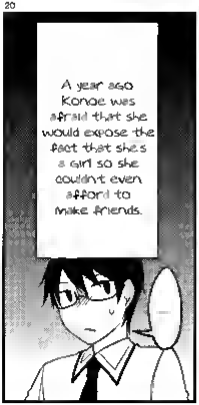
But~
It's something that I can't do
Maybe I was just born this way... a faulty product

(Father connected)
父
通話中
Even my own family members are leaving me out to rot
Even though I've reminded you several times now, you can never tell others that your parents have separated
The minimum living expense for one person is enough right?

That's the reason
why I'm always by myself

At that point in time Subaru-sama wouldn't even approach another person
The prince that was always alone
Love at first sight
But when I came to this school for the very first time I saw a person that I actually liked
That person was Subaru-sama

20

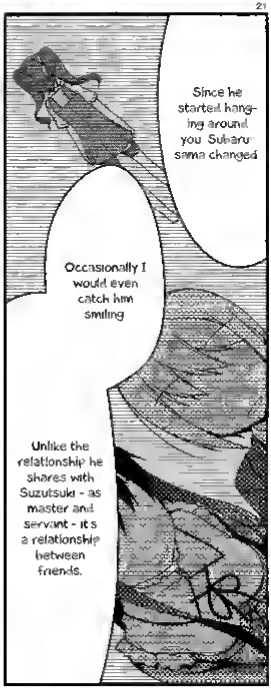


A year ago Konoe was afraid that she would expose the fact that she's a girl so she couldn't even afford to make friends.

"Will I be able to become friends with that person ...?"
"Maybe he would understand my feelings "
"could that person be just like me?"
When I saw him, I thought

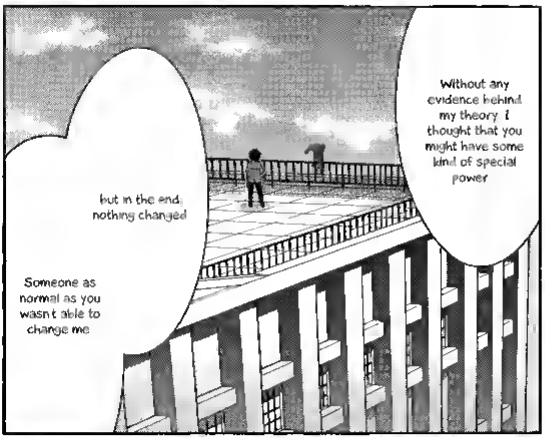
But the next year, Subaru-sama found a friend ...
...
Right
that person is you, Baka-Chiki.

Everything started with you
So have you figured it out yet?
..What?

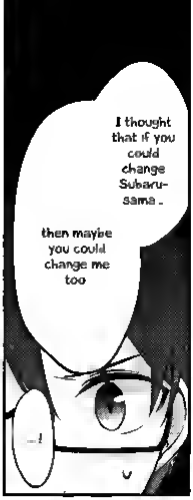


Since he started hanging around you Subaru-sama changed
Occasionally I would even catch him smiling
Unlike the relationship he shares with Suzutsuki - as master and servant - it's a relationship between friends.

You're really dense
The reason I wanted to pretend to be your girlfriend-



Without any evidence behind my theory I thought that you might have some kind of special power
but in the end, nothing changed
Someone as normal as you wasn't able to change me



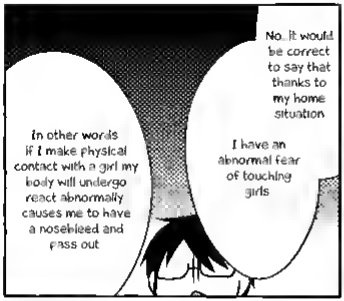
I thought that if you could change Subaru-sama...
then maybe you could change me too

Having come to that realization, I feel exhausted...

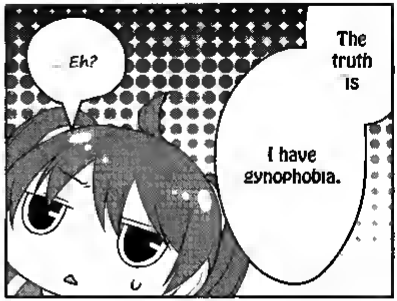
Even though I was the one who tricked you into going on a date with me
I know that no matter what I can't change who I am
"Huh... It must be that Subaru-sama is the one that changed himself."
During today's date watching the two of you hang out made me think

Ok. I'm done I'll stop talking
but let me say one last thing
I don't like you.
and I don't like how Subaru-sama was able to suddenly change himself like that.
...Lastly, above everything else-
what I hate the most is myself.
USAMI!

Why don't you go on a diet? That would be a big help you know...?
Y-you-
You what are you doing?
Just let go for your own good
or do you plan to continue arguing with me?
24
Since you just told me your secret
I guess it would only be fair if I told you mine
?
Hey you evil rabbit!
Ugh...
Crap, my condition is acting up—!



No.. It would be correct to say that thanks to my home situation
I have an abnormal fear of touching girls
In other words if I make physical contact with a girl my body will undergo react abnormally causes me to have a nosebleed and pass out



Eh?
The truth is
I have gynophobia.

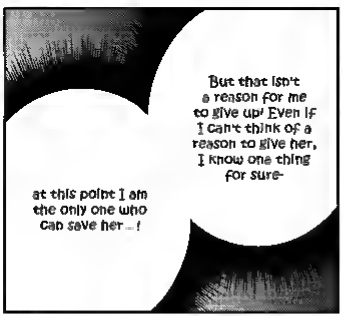
Now then just hold on tight
I'll pull you up with what's left of my strength...
...Sorry, Baka-Chiki.
That's enough...

She isn't impressed
Fu...
Ahaha! What kind of embarrassing condition is that!? Oh! Is that why you're into BL?

Why are you laughing? This is a serious problem for me, you know.
My body is starting to react to the feel of your hand

This isn't good. Even her words are filled with fatigue and despair
My words probably aren't getting through to her

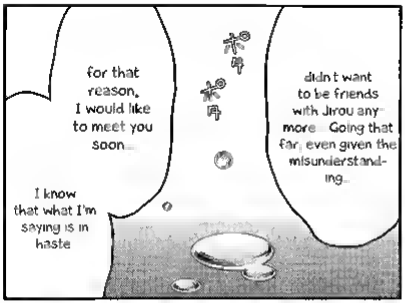
I'm drained. What pains me isn't not having any friends ... rather it's the fact that nobody need me and that I'm living all alone.
...I would be better off dead.



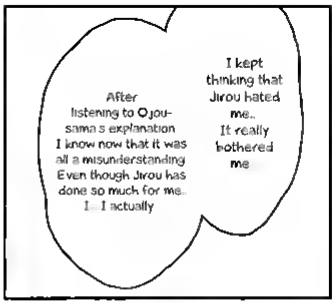
But that isn't a reason for me to give up! Even if I can't think of a reason to give her, I know one thing for sure-
at this point I am the only one who can save her -!

Guh ...
Th-this stupid rabbit ....!!
Damn it, this is the worst -
I. I can't even save one girl...!

Jirou,
can you hear me?
hiss hiss
I didn't understand Jirou before
It was just so sudden hearing about your girlfriend like that
and then saying that you only got closer to me because you really like Ojou sama
That's why I thought you didn't want to hang out with me during the culture festival and lied to me
That stupid butler is there really no other way but to use the school speakers?
I wanted to tell you in person but I couldn't get in touch with you, so I'm using the school's broadcasting system
Ko-Konoe-?
!
27
...!
--Ojou-sama told me everything I'm sorry, Jirou--
Is that true? Suzutsuki told her everything...!?



didn't want to be friends with Jirou anymore. Going that far, even given the misunderstanding...
for that reason, I would like to meet you soon...
I know that what I'm saying is in haste



I kept thinking that Jirou hated me... It really bothered me
After listening to Ojou-sama's explanation I know now that it was all a misunderstanding Even though Jirou has done so much for me... I... I actually

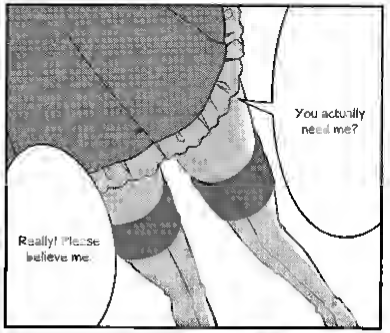
That's enough.
I have to go see Konoe.
I don't want that one to cry again.
Listen to me well, Usami.

but I want to... apologize to Jirou ...
and repair our relationship ...
and be friends once more...!

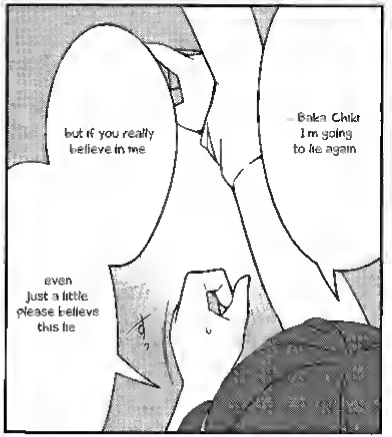
You're a good cook, right? Then you'd better satisfy me!
No, even though we didn't specify a time, even though it's only a one-time deal,
you still have to fulfill the promise you made to me!
Um...
You said it yourself, that if I treated you to takoyaki you would make me a home cooked meal.
That promise hasn't been fulfilled yet!
31
A promise without another person is meaningless! I need you around!
So even if you feel that you're not needed, you're not allowed to disappear just like that!!
...!
As someone who would do anything, even fight you over your own issues,
even if I'm just a normal guy, there are things even I can do...!
Let me be your friend.

I want to be like Subaru-sama...!
I... really don't want to die yet.

What you just said... are you serious?
You really... want to be friends with me?
O-Of course I want to.



You actually need me?
Really! Please believe me.



...Baka Chika I'm going to lie again
but if you really believe in me
even just a little please believe this lie

Jirou..
Uhm
I heard your broadcast I'm sorry Konoe

Konoe!
!!
だだだ。

Can we go back to the way we were before?
Really? Is that really okay?
Of course

Thank you Jirou,
but please promise me-
What?
Please from now on don't hide anything from me-
Even though I trust you as your friend I really don't like it when you hide stuff from me

Firs-
You said something about a first kiss, right...?
W-what's with the sudden change of topic ?

I understand I'm really sorry
...Well, to be honest
I was hiding something from you too...

Is that so?
Before Jirou
that

33

Although I don't know what Ojou-sama told you, I should explain it clearly
Actually... at the swimming pool, when I saved you from drowning...
That... mou...

Mouth to mouth

WHA-WHAT ARE YOU SAYING!?
Then my first kiss wasn't with Suzutsuki-kun Konoe?
Eh... didn't Ojou-sama tell you?

I've kept it all this time I'm sorry
Do hate me now..?
That's nothing for me to get angry about, you know?
It's not a reason for me to hate you

Jirou...!
Now then, as I was saying, let's return our relationship to the way it was before
Yeah!

Good morning, Jirou
Is it okay for you to not go to school with Suzutsuki?
Ojou-sama said that I have to monitor you
That girl
Speaking of which, my first kiss was actually with Konoe.
It's a bit embarrassing.
Hm?
Puh!?
Oh- good morning, Baka-Chiki!

It was a happy, friendly greeting
You idiot! What are you doing this early in the morning!?
Subaru-sama, I like you
Eh?
But my first love is over
I'm leaving S4
so I thought I should at least tell you
Oh, right Baka-Chiki, I'm going to cure you
Eh?
I'm still a little worried but she seems quite energetic now
37

Because
we're friends now.
You're worried about that, right?
Because of that I'll do my best to help you
!!
I'm going to steer you away from the BL path.
Your gynophobia it's almost summer break
Oh
EH?
So, from now on you should call me
Masa-mune.
-Masa-mune.
You're the one who made the request; why are you getting all flustered!?
~!!
Just hurry up!
How is it "natural" ?
We're friends now, so it's only natural, right!?

It's almost done please wait a little longer
I PAYED MASAMUNE A VISIT...
TO FULFILL THE PROMISE MADE DURING THE CULTURE FESTIVAL A MONTH AGO,

TODAY IS AUGUST 13TH. WE'RE RIGHT IN THE MIDDLE OF SUMMER BREAK

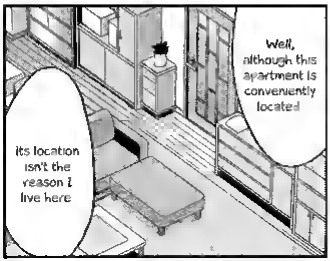
But actually asking me to come over on such a hot day...
When I arrived I ended up having to wait outside for an hour
Wai waited

It can't be helped
I had a lot of preparation
What kind of prepa-ration?

~S
THE PROMISE WAS THAT I'D EAT A MEAL SHE PREPARED HERSELF

A PINK CAMISOLE WITH A WHITE SKIRT,
AND A FAIR OF HEALTHY LOOKING LEGS TIGHTLY WRAPPED IN KNEE HIGH SOCKS
HER OUTFIT GIVES OFF A DIFFERENT YET FRESH FEELING COMPARED TO THE CULTURE FESTIVAL. THIS ISN'T BAD.
Sh-
Shut up Baka-Chiki!
COULD IT BE THAT SHE WAS GETTING DRESSED AT THE LAST MINUTE? HER OUTFIT LOOKS QUITE ELEGANT.
Was it true what you said about being so poor that you eat bread dipped in mayonnaise?
Yeah, what about it?
Well-
By the way, Masamune, can I ask you a question?
What is it?

As well as a corner penthouse
I suppose this is a convenient location
It can't be helped this is the most suitable place for me to live.



Well, although this apartment is conveniently located
its location isn't the reason I live here

Here
How can you afford to live in a fancy high rise apartment like this!?
ドーン

Right the rent here is very cheap Without a deposit monthly it costs
four thousand yen.
($52)

The true appeal is actually the rent.
The rent?

NO! NO WAY! I ABSOLUTELY REFUSE!!
Do you want to know what she did?
Since then no matter who rented this place they'd move out before the end of the month
At first I was shocked. Even after listening to the reason, I decided to accept
Two years ago, a woman who lived here—
did something like that.
KY-AAAAAAAH!
Knife
Hanging oneself
Repressed rage
Boyfriend's cheating
Late night

XI

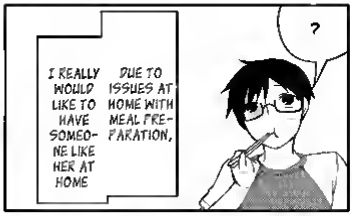
I don't want to use too much of it
That may be the case, but even so—
Remember how I mentioned something about receiving barely enough in living expenses to cover one person?
So why am I staying in a place like this?

PLEASE STOP! MY FAMILY CAN'T DEAL WITH THE SUPERNATURAL.
I'm joking
I don't know the actual details

You don't want to use it?
Yeah, because I didn't earn it
Anyway, I've already found a new part-time job, so my living expenses won't be a problem.
I've already used a little bit of that money, so I'm going to work hard
and return everything I was given.
I SHOULD LEARN FROM HER EXAMPLE
Alright. It's done.
トンッ
!
"ton"
CRAP, I'M STARTING TO THINK SHE'S PRETTY COOL
I'M IN THE SAME YEAR AS HER. AND YET SHE'S WORKING HARD TRYING TO SUPPORT HERSELF. I'M IMPRESSED
BECAUSE OF MY RECENT DEALINGS WITH KONOE AND SUZUTSUKI, WHO LIVE IN WEALTHY ENVIRONMENTS, YOU HAVE MY FULL SUPPORT.

TN: Japanese stew with meat, potatoes, and onion in sweet soy sauce

Instead of being my wife
I want you to be our maid.
YOU BAKA-CHIKI! WHY ARE YOU SAYING SUCH A PERVERTED THING!?
Perverted!?

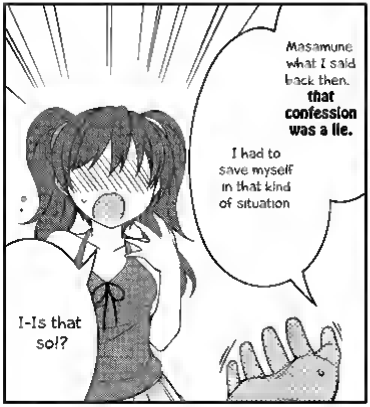


I REALLY WOULD LIKE TO HAVE SOMEONE LIKE HER AT HOME
DUE TO ISSUES AT HOME WITH MEAL PREPARATION,
?

Sorry
I misspoke
BUT RATHER THAN A BRIDE-

BUT- A MAID!?
Wanting me to do this and that.
WHAT DID I DO TO YOU TO CAUSE YOU TO ASSOCIATE BEING A MAID WITH SOMETHING THAT EXTREME? IT'S ASTONISHING!!

you're into BL, aren't you?
Then ...
My bad let's change the subject
Er... hmm alright
TN: Boys-Love
Crap how do I put this ?
.....
there's a good chance that Konoe's real gender will be exposed
That's right If I deny that I'm into BL
But before you said something about a relationship with Subaru-sama
NO!! DEFINITELY NOT INTO BL AT ALL!
09
There's something else I want to ask you
?
That's right everyone has some sort of secret
She accepted it so easily?
O Okay I understand
I won't ask about that anymore



Masamune what I said back then. that confession was a lie.
I had to save myself in that kind of situation
I-Is that so!?

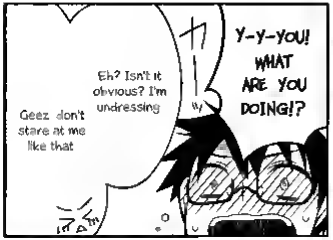
During the culture festival, your confession to Suzutsuki Kanade; was that for real?
This wicked rabbit! Why is she continuously picking on my emotional scars?

gulp gulp
ゴクゴク
ぷはっ
haahh
Uhm- just talking to myself!
"What a relief"?

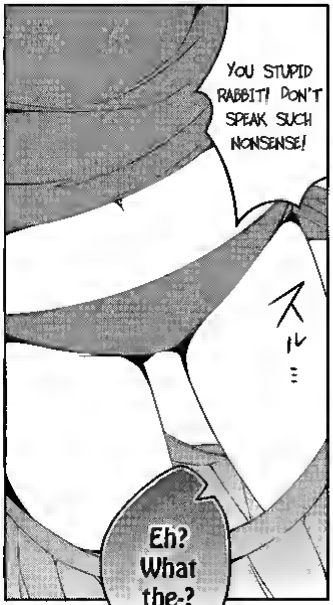
Well then! Since you're done eating let's begin
Exorcising this house?

whew
ほっ
What a relief

What are you talking about Baka Chiki?
WE'RE GOING TO START YOUR GYNOPHOBIA TREATMENT!
Treatment?
Fufu Just leave it to me
I've already prepared an effective plan
Ehh?
In that case I believe my treatment plan should work.
I'm sure it'll be fine
Before we start, just to make sure
You only have to touch a girl slightly in order to invoke an adverse reaction that causes your nose to bleed
and at worst you'll pass out right?
I really don't want to say it myself
but when I make skin contact the symptoms will manifest immediately
zip
No problem then.
Eh?



Y-y-you! What are you doing!?
Eh? Isn't it obvious? I'm undressing
Geez, don't stare at me like that

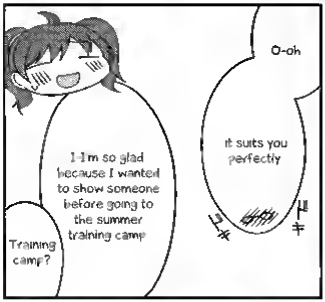


You stupid rabbit! Don't speak such nonsense!
スルッ
Eh? What the-?

Heheh, caught you, Baka-Chiku.

ぬぎっ
!!???

bounce
!!
Off
Unfortunately for you underneath I'm wearing
a swimsuit
Wha-

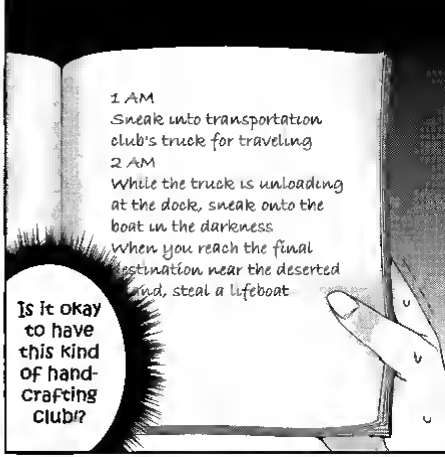


O-oh
it suits you perfectly
I-I'm so glad because I wanted to show someone before going to the summer training camp
Training camp?

Tonight the handcrafting club is going to the beach for a training camp
This is the guide for the training camp
Hmm?

How is it?
Does it suit me?

It's a really nice swimsuit,
but it'd be ineffective in your treatment.
Say, wouldn't that racing swimsuit that we purchased before work as well?
I'm getting a headache



1 AM
Sneak into transportation club's truck for traveling
2 AM
While the truck is unloading at the dock, sneak onto the boat in the darkness
When you reach the final destination near the deserted island, steal a lifeboat
Is it okay to have this kind of hand-crafting club!?

twinkle
キラーン
Now then, here I come, Baka-Chiki
Huh ...?

hug
ガバッ
Please endure it!!
Huh !?

I REALIZED AFTER SERIOUSLY THINKING ABOUT IT THAT THE EASIEST WAY TO CURE YOU IS TO USE A SKIMPY SWIMSUIT FOR MORE SKIN CONTACT!
W-WHAT ARE YOU SAYING!?
YOU IDIOT! NO MATTER HOW YOU LOOK AT IT, THIS IS SHOCK TREATMENT!
ぎゅうう。
Squeeze

PLEASE DON'T-!!
You're taking off your clothes!
Are you stupid!?
—!! What kind of plan is that!?
But to allow skin contact it really doesn't mean anything if you're the only one who's undressed
Hmm?

Have I been spared?
!
It's about time

If this continues, I'm really going to pass out from blood loss...
Crap...
Alright,

Eh? Endlessly
Don't worry.

We have ten more sets to go
Huh?
If we're unable to improve your condition, we'll have to repeat this endlessly.

Gy

Gyaa-aaa!

EVEN THOUGH I'M QUITE EMBARRASSED BY THIS, IN ORDER TO TREAT YOUR GYNOPHOBIA I MUST ENDURE IT.
BE-CAUSE-
YOU ARE MY FRIEND.

Thanks to that girl I feel a bit anemic
To be honest, if it didn't improve I would've
回想。
Hmm, at least your chicken constitution is improving a little
Anyway today's heat is really brutal
I forgot my wallet so I can't even buy a drink
I'm almost home I have to hold on

EEK!
But let me take a break first

A drink?

plus plus

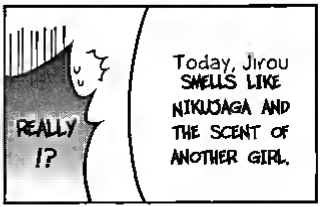
What are you doing here anyway?
Thank you
Hmm. I was on my way to Jirou's house for something

Jirou, would you like a drink?

18

Jirou
don't tell me that you're trying to hide the fact that you secretly met someone?

Say what are you doing here?
Oh it's not a big deal
My house? Why?
Eh?



Today, Jirou SMELLS LIKE NIKUJAGA AND THE SCENT OF ANOTHER GIRL.
REALLY !?

Since I'm a gentlemanly butler
I won't pry into someone else's business
O-Oh?
So anyway why were you looking for me?

What should I do?
Perhaps it's best that I don't tell Konoe what I just experienced
Umm...

Eh?
Geez forget it
Jirou probably has secrets of his own

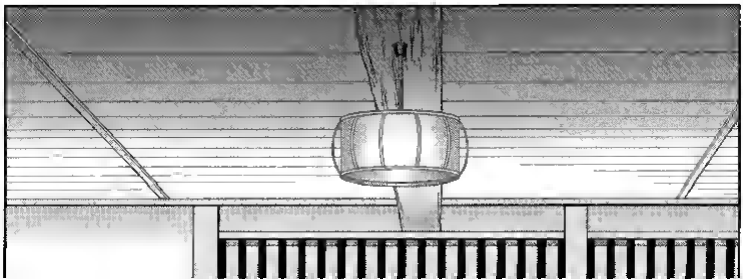
I know that hearing that so suddenly must have shocked you-
!?

What?
Don't worry,
you'll fall asleep in a moment

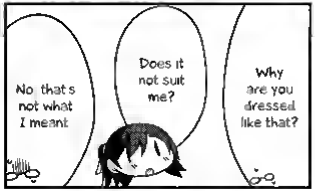
Well although I probably shouldn't be saying this
Let's run away together.

Y-you-
THIS DRINK WAS DRUGGED WITH SLEEPING PILLS OR SOMETHING ...!?
Konoe definitely wouldn't do something like this ...
which means the person behind all of this is
I'm sorry Jiryou

A butler cannot disobey their master.



Good morning, Jirou-kun.
How do you feel?
ボー!



Why are you dressed like that?
Does it not suit me?
No, that's not what I meant

What is it, Jirou-kun?
May I ask you something Suzutsuki-san?
I SUPPOSE I SHOULD FIGURE OUT MY CURRENT SITUATION

Where am I?
This is a hot spring resort by a certain beach
By the way, this is a high class resort that my family owns
Furthermore, we've chartered the entire place Are you surprised?

I ran away from home
I got into a fight with my parents
EH!?
Ignoring my initial shock
why did you bring me here without saying anything? It was almost like an abduction
There's a simple reason for that
はぁ…
Actually my parents wanted to go for a vacation overseas during the summer break
They refused to take my feelings into consideration at all Isn't that awful?
Anyway the other reason we're here is-
the training camp
Training camp?
Remarkable, deciding all this on your own and even kidnapping me. Isn't it a bit extreme?
So this is just a little protest I brought Subaru along too, of course

This is a special training camp to cure you gynophobia.
Don't worry; we've already drawn up a plan.
IT'S PROBABLY FULL OF MISCHIEVOUS IDEAS, RIGHT!?
Before we came here we'd already prepared all of your clothing
Fine, do whatever you want
Anyway, let me gather my thoughts Can you leave my room for a bit?
What're you talking about?
This is our room.

DIDN'T YOU SAY WE HAD THE ENTIRE PLACE!?
NO MATTER HOW YOU LOOK AT IT, THERE ARE OTHER ROOMS!

Hey, Jirou-kun~?
YUKATA AND
A SEEMINGLY SOFT VALLEY
HOT SPRING RESORT
CLOSED ROOM,
TWO PEOPLE ALONE,
FUTON,
W-What?
Do you want to know
the reason why we're in the same room?
We've eloped to this resort
and since we have the entire place to ourselves this is the only way
Crap!
What kind of situation is this!?

Ojou-sama.
!?
breakfast is ready.
Thank you, Subaru
Let's go eat then.

shock
Did you ki-ki-ki-kiss or s-something like that?

We're going to the beach tomorrow, and the day after is the summer festival.
so if you don't get enough nutrients-
Y-Yeah
Jirou just now you and Ojou-sama...

28
ha ha ha
I I see...
Come on let's hurry and eat breakfast!

!!
SUZUTSUKI IS THE ONE WHO GOT TOO CLOSE TO ME!!
Also while I wasn't here you were still on the futon

If we just tell them that we're running away, it's possible that they'll contact the household to take us back
That's why we lied to the resort manger
Lied?

Oh,

Eh ?
She didn't tell you the details?
Why is she renting the entire place just to pretend we've eloped?
speaking of Suzutsuki

so the three of us are staying here together
So that's it
Looks like I won't be getting any sleep tonight...

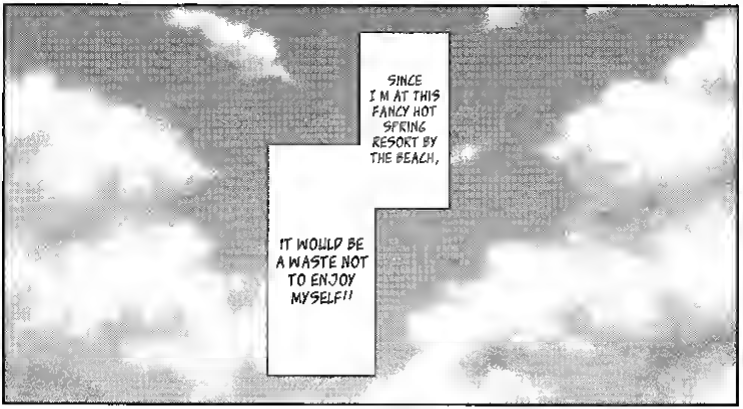
I'll support you all the way!
That Jirou and Ojou-sama have pledged to get married
but due to opposition from both sides you two had to elope
I've been appointed as the caretaker for you two

Also, the only ones who know about my cross-dressing are in the household none of the people here know
Therefore-

Thank you, Jirou.
Please take care of me from today onwards.

ぽふっ
I understand I'll help you keep your secret

WELL IT'S NOT A BAD IDEA TO TAKE A TRIP ONCE IN A WHILE
Yeah



SINCE I'M AT THIS FANCY HOT SPRING RESORT BY THE BEACH,
IT WOULD BE A WASTE NOT TO ENJOY MYSELF!!

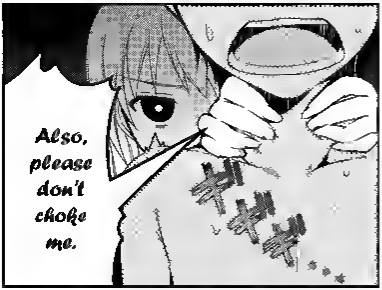
You want me to say such naughty words?
N-no way
Done I'm finished now guess



Also, please don't choke me.

Hey, hey, Konoe!
Don't write "Kill" on my back!!
I didn't write something like that-

OASIS
BEER
ICE CREAM
TROPICAL
CURRY

Thank you for applying the lotion.
Do you want to go buy some drinks?
Your face looks blue.
I'll go get some

TANNED SKIN AND GLASSES THAT FIT HER RELAXED EXPRESSION PERFECTLY
JUST LOOKING AT HER CHEST THEY'RE PROBABLY EVEN BIGGER THAN SUZUTSUKI'S!
EH?
CAT EARS?

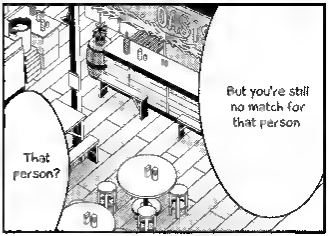
ぼやぁ…
Have a pair of special Kakuku glasses
you have a nice body that matches your glasses.
I have a strong feeling that this person is very similar to someone I met recently…

IS THAT THE CURRENT FASHION…?
Eh? You-



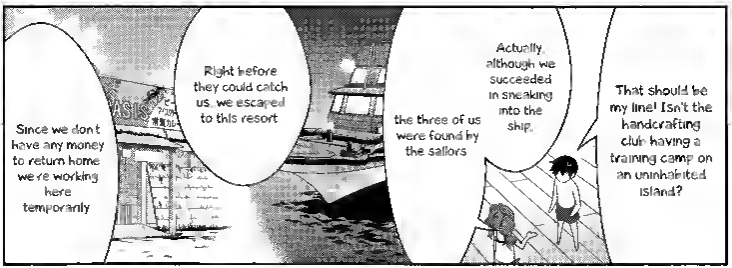
But you're still no match for that person
That person?

Yes, a boy from my school
A senpai named Sakamachi.

Hm… same last name…

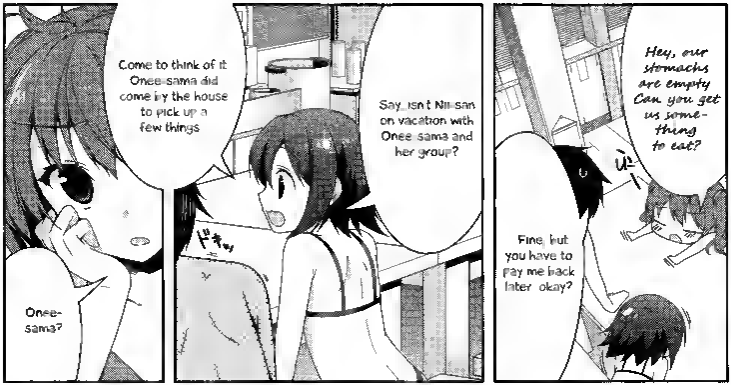
Wait, don't tell me…
And that senpai… even though he's just a normal student he's in a relationship with the prince of our academy.
YES, it's BL!
Oh very Good
This is definitely the girl who was in that sheep costume during the culture festival …!
It's like a modern version of Romeo and Juliet.

Nyaa nyaa? Nii-san? What are you doing here?
What are you doing in a place like this?
Baka-Chiki?

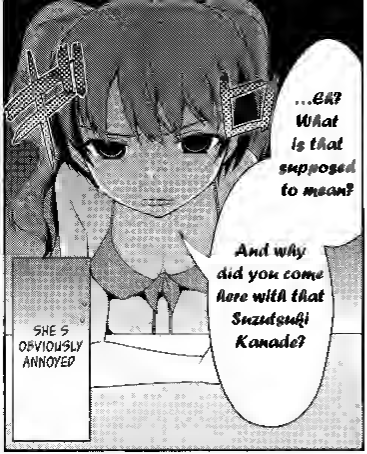


Since we don't have any money to return home we're working here temporarily
Right before they could catch us, we escaped to this resort
the three of us were found by the sailors
Actually, although we succeeded in sneaking into the ship,
That should be my line! Isn't the handcrafting club having a training camp on an uninhabited island?

12



Onee-sama?
Come to think of it Onee-sama did come by the house to pick up a few things
Say, isn't Nii-san on vacation with Onee-sama and her group?
Fine, but you have to pay me back later, okay?
Hey, our stomachs are empty Can you get us something to eat?

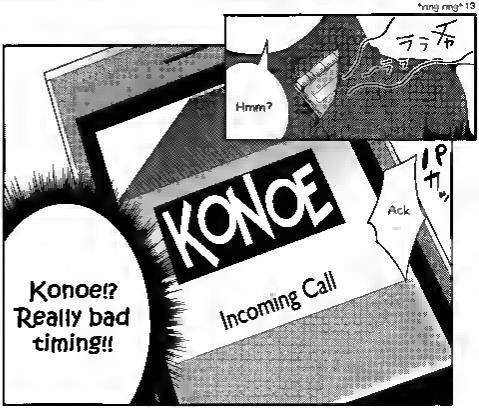


...eh? What is that supposed to mean?
And why did you come here with that Suzutsuki Kanade?
SHE'S OBVIOUSLY ANNOYED

You have an older sister?
No that's not it, Usami-senpai
Onee-sama is Nii-san's classmate Suzutsuki-senpai

ring ring 13

Subaru-sama!?
Oh, Subaru-sama is calling
Ugh



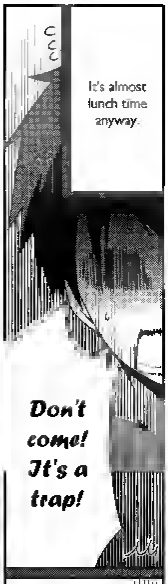
Hmm?
KONOE
Incoming Call
Ack
Konoe!? Really bad timing!!

Click
Hello, Jirou?
If they see Konoe in a swimsuit, her true gender will be exposed immediately.
Oh- oh, Konoe, what is it?

What !?
Geez, forget it, we're almost there.

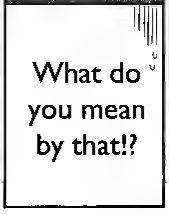
You were just going to get some drinks. What's taking you so long?
Yeah, something happened.

UWAAA AAH!
What do you mean!?
EVEN SO, IT'S TOO LATE. WE'RE ALREADY IN FRONT OF THE BEACH HOUSE.



It's almost lunch time anyway.
Don't come! It's a trap!

I'LL GO GET THEM!!
And who's that person next to her? I can't see too well from here-
Oh? Is that Onee-sama?



What do you mean by that!?

Come over here, Kenpei!
What's wrong, Jirou? You look flustered.
Glasses?
Please put these on immediately.
I don't mind, but could it be that... you're into things like this?
WHY ARE YOU BLUSHING?!
Geez Nii-san,
it's dangerous to run inside the shop
Ko-
Ko-Ko-Ko-Konoe-senpai?
!?
Why are you dressed like that!?

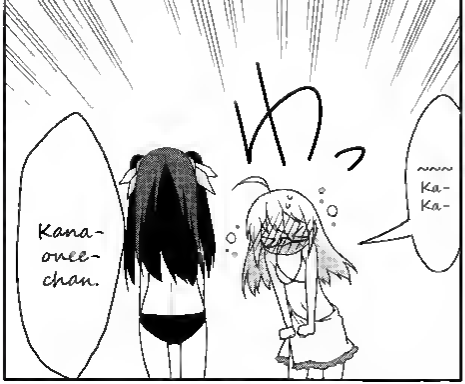
No-
Shivering
AT LEAST I PUT A DISGUISE ON KONOE. NOW FOR A LITTLE DECEPTION...
T-this...

Jump

N-n-n-no, e-e-e-even if it's hard to believe, t-t-t-t-there is a reason for t-t-t-t-this.
You're overre-acting!!!

What are you saying Kureha chan?
This person is not Subaru.
Eh? B-but
Subaru is a guy, and no matter how you look at her, this person is a girl.

This is actually Subaru's younger cousin.
C-cou-sin. ?
By the way her name is
Takanashi Punyuru.
Huh?
How's that? It's a trendy, cute name, right?
Hey, that's ridiculous!
By the way since we have a close relationship,
she always calls me
"Kana-onee-chan".
...!?
Eh~ Punyuru-san, right? What a cute name!
SHE BOUGHT IT!
EVEN KUREHA WOULDN'T BE FOOLED
17
She's in the same grade as you, so you don't have to add the "-san".
That's right!



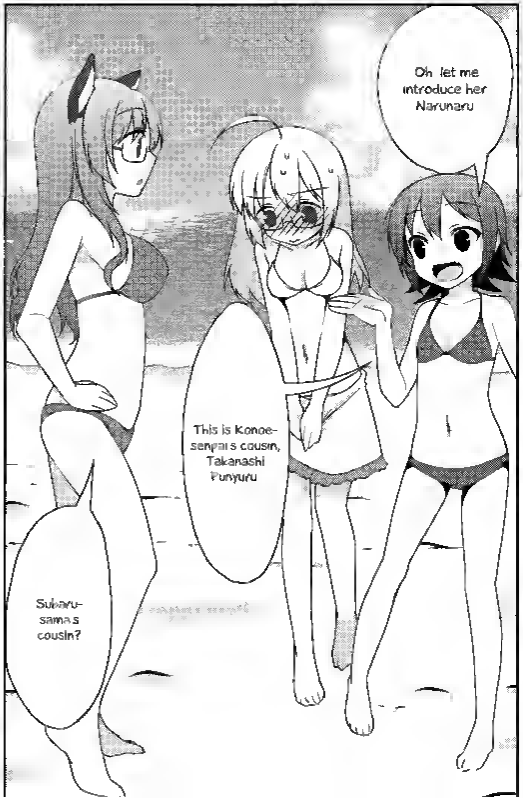
Kana-onee-chan.
~~~~ Ka-Ka-
Come on hurry up and call me Kana-onee chan
That's what you normally call me, right?
What's the matter Punyuru?

18-teary*
...Jirou-onii-chan.
surprise
collapse
ugh
trembling
I-I think I've created a fearsome monster ...!
Suzu-tsuki!?
She pointed me as the next target
Also, Punyuru always calls Jirou-kun "Jirou-onii-chan"
!?
~~~~

... senpai,
why do you have a bright smile on your face while kneeling?
To be moved by this feeling ...
I'm afraid I've been living for a moment like this.
-Oh,
now I under-stand.

Eh?

That pair of glasses
Crap, now that I think about it, those are the glasses Nakuru gave me! Has she been exposed already?



Oh let me introduce her Narunaru
This is Konoe-senpai's cousin, Takanashi Yuyuru
Subaru-sama's cousin?

Usami Masamune.
The last line of defense,
The only one left is the hardest one to cozy up to.

EXCELLENT.

...hm, another idiot.
Wow that pair of glasses fits you well
Nakuru's name is Narumi Nakuru.
Nice to meet you Punyuru-chan

actually believed us so easily!?
The one who hates lies the most and has difficulty trusting people...

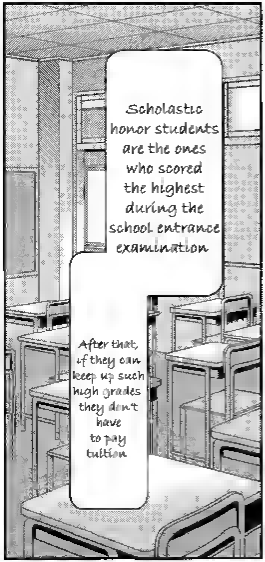
P-p-p-p-please take care of me, Punyuru-chan.
haa?

Baka-Chiki wait a minute.
Hey
WHY ARE YOU LYING?
!?
No matter how you look at it, that's just Subaru-sama wearing glasses.
...how can this be? Konoe's true self is finally exposed
But I guess I'll just go along with it for now
Everyone has their own secrets
Masamune
Even though it's shocking that Subaru-sama loves to cross-dress ...
...lucky.
Her misunderstanding is proving beneficial for once.
Which means we haven't been exposed

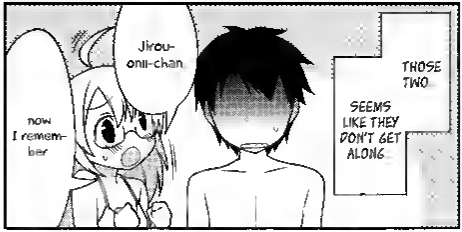
Hmph. Why are you out here with Baka-Chiki?

How are you, Usami-san?
I didn't know you were here too.
!!

What business is it of yours who I travel with?

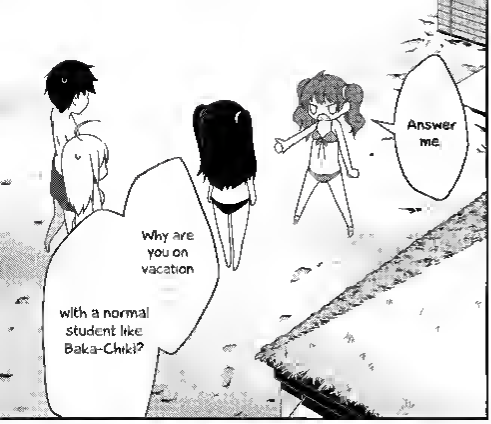


Scholastic honor students are the ones who scored the highest during the school entrance examination
After that, if they can keep up such high grades they don't have to pay tuition

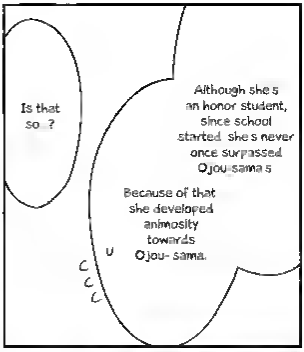


now I remember
Jirou-onii-chan
THOSE TWO SEEMS LIKE THEY DON'T GET ALONG

That girl Usami is one of those students
a scholastic honor student.
!



Answer me.
Why are you on vacation with a normal student like Baka-Chiki?



Although she's an honor student, since school started she's never once surpassed Ojou-sama's
Is that so...?
Because of that she developed animosity towards Ojou-sama.

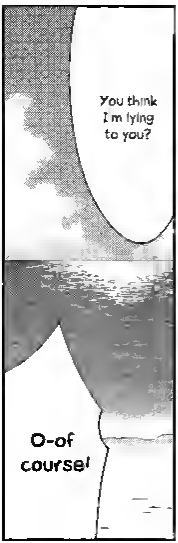
squeeze
!!
In reality, he is my fiancée.
Haa!?

Fu, I guess it can't be helped.
I'll reveal to you the truth

By the way last night we also slept together in the same hotel room

T-that's impossible!
I'm not lying we're eloping right now
Elo-ping!?

Sama!?



You think I'm lying to you?
O-of course!

That's a lie.
!!
a lie?

...!

Everything you said sounds like a fabrication.
You can't convince me. I don't believe you.
-...
Although it's possible you stayed in the same hotel room,
Oh, is that so?
you being a fiancée... that's a lie.
It's useless.

Fu.
FOR THAT REASON
YOUR ACT WILL NOT WORK ON ME.
Usami-san
It looks like you're a little harder for me to deal with

ama zing
Masamune actually saw through Suzutsuki's act!
Either way Usami san,

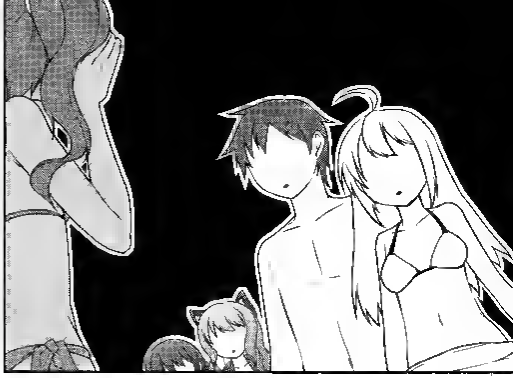
T-that we haven't decided on that yet
Where do you plan on staying tonight?
what are you going to do?
We're staying at a nearby hot sprint resort.
If it's fine with Usami-san would you like to stay with us?
I-it's true that I don't like camping

That's right. If you ask me in a cute way
"Please Kanade-sama, pyon!
Please let me stay with you at the hotel, pyon!"
Like that
WHY WOULD I ADD «PYON» AT THE END!?

TN: Usagi means rabbit in Japanese and sim ai to Usami's name

Pi-
Please let me stay with you at the hotel, pyon!
-please pyon. Kanade-sama!
ぴょーん
Devil Suzutsuki appeared-!
Can you hurry up?
... come.
I'll do it then.
I-
27

Thank you Usami san
By all means, please stay with us at the hotel
I-I'LL REMEMBER THIS!



LISTEN TO ME! HEY!
Fufu looks like tonight is going to be fun and boisterous too...

HOW COME THESE GUYS DON'T HAVE TO DO ANYTHING!?
Waah— thank you, Onee-sama!
Oh Kureha-chan you guys come stay with us too

STAYING WITH ALL OF THESE BEAUTIFUL GIRLS
WILL PROBABLY HELP WITH MY GYNOPHOBIA TREATMENT
... GEEZ HOW SHOULD I PUT THIS? IT SEEMS LIKE IT'LL REALLY BE BOISTEROUS

As disappointing as this may be,
your happy run-away vacation is over.
K-KONOE NAGARE!?
WHAT!?
Kanade Ojou-sama.
I'm here to pick you up.

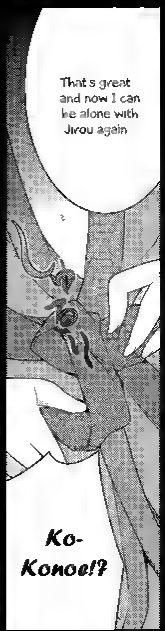
まよチキ！

Ah. It's all because Jirou convinced my father
Is that right?
Still it's great that everyone can stay
After engaging in close combat like that, I feel I've gotten closer to that old man.

Jirou you're back?
Where are the others?
Ojou-sama and the others are probably still in the bath

It's okay it'll be a while before everyone returns
So,
just for a little while...



That's great and now I can be alone with Jirou again
Ko-Konoe!?

Jirou...
Fua
Konoe...

Konoe prefers it when I'm wearing my glasses.
That's right...
Ah wait
you should keep your glasses on

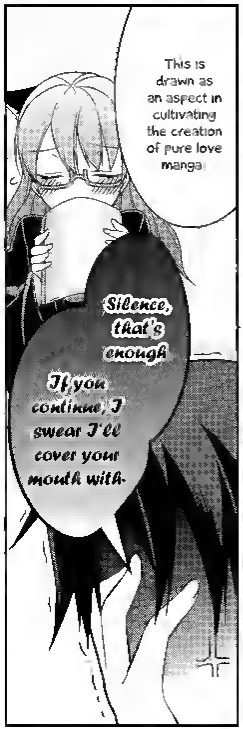
This weird thing is a documentary!?
THEY'RE ALL DOCUMENTARY MANGA WITH SUBARU-SAMA AS THE SUBJECT!

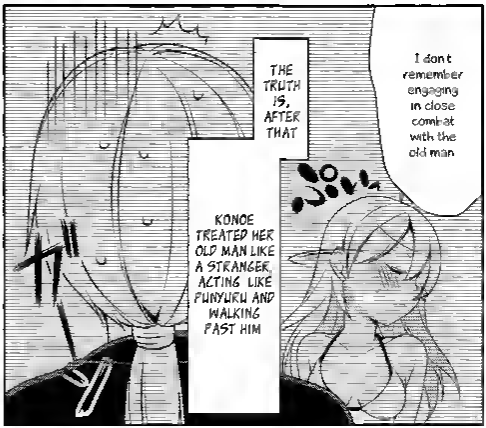
UWAAAAA!
Ahhhhhhh! That's Nakuru's notebook, what are you doing!?
WHAT ARE YOU DOING WITH THIS!?

04

[BL Note]



This is drawn as an aspect in cultivating the creation of pure love manga.
Silence, that's enough
If you continue, I swear I'll cover your mouth with-



I don't remember engaging in close combat with the old man
THE TRUTH IS, AFTER THAT
KONOE TREATED HER OLD MAN LIKE A STRANGER, ACTING LIKE FUNYURU AND WALKING PAST HIM

THE OLD MAN INSISTED THAT HE STAY AT THE RESORT WITH US AND BE A SUPERVISOR
UNTIL NOW

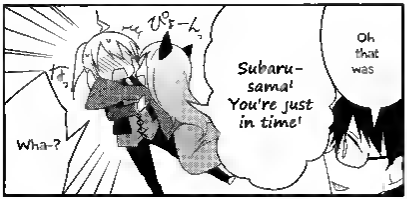
Unyu
I'm sorry
SPEAKING OF WHICH, THIS GIRL IS A LITTLE DIFFERENT THAN KUREHA AND MASAMUNE SHE SEEMS TO BE THE WEAKEST IN THE HAND-CRAFTING CLUB
How could you want to kiss at a place like this...?
That's not it!!

HAA
I NEED TO CHANGE THE SUBJECT...
Oh right cat ears
What?
PLEASE DON'T SAY THINGS THAT CAN CAUSE MISUN-DERSTAN-DINGS!!
COME, PLEASE HELP YOURSELF AND DO ANY-THING YOU WANT TO NAKURU'S BODY!
It can't be helped In order to be forgiven Nakuru is willing to accept punishment

These can't be real
Funyaa-!

I couldn't help but notice them at the beach what are those?
A ah
These are

So they were hand crafted Are they a popular accessory?
No-
Se-senpai, I'm alrea- dy
Oh, sorry
Nya-



Oh that was
Subaru-sama! You're just in time!
Wha-?

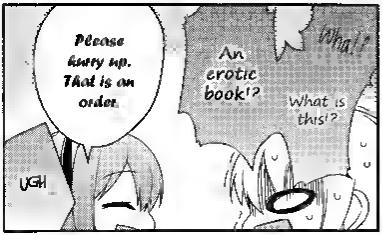
Grrr
Jirou you're back
CURRENTLY IN BUTLER FORM. SINCE FUNYURU "WENT HOME"...

Actually I picked this up somehow
A butler ticket!? You picked it up!??

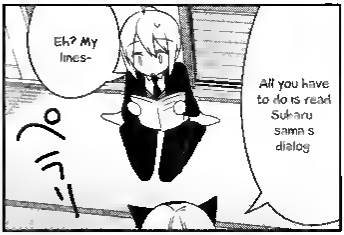
(Bite tweet)

THE TRUE IS, IF I USE THIS TICKET, YOU'LL HAVE TO OBEY ONE OF MY ORDERS, RIGHT?
な？…

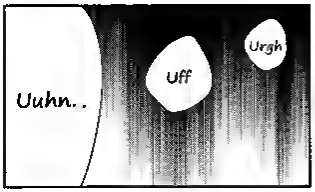
!!!
Ah Something easy like that
Please read this notebook out loud.
This is such a rare opportunity please help Nakuru to improving her future creations



Please hurry up. That is an order.
An erotic book!?
Wha!?
What is this!?
UGH



Eh? My lines-
All you have to do is read Sakaru sama s dialog



Uuhn..
Uff
Urgh

Unya aaaa!
Ah! Nakuru s notebook!

Ji-Jirou is so naughty
Hu hu hu
hug me tightly
BL

ISN'T THIS THE SECOND FLOOR!?
Jirou ...
I can fly!

DON'T TELL ME THAT SHE
Go, quickly!
Eh?
Ji-Ji-Ji-Jirou...
Sorry, can you go down there and make sure she's fine and burn that notebook?
*extend!

It doesn't matter!
Hurry up and go!
NO WONDER... AFTER READING LINES LIKE THOSE...
I understand
Are you embarrassed to look at me?
Wha-wha-what...

If I knew I would be a little more...
But... What a waste.
ahhhh

パタン

[close]

There's something important we need to discuss!
Hmm?
Please wait a moment!

Nii-san!

10

Fine just hurry up!
H-hey!

Make sure Nakuru is alive and burn that notebook
Eh? But there's something I need to do

W-WAIT! I'M SERIOUS! DON'T MAKE THAT KIND OF FACE!
when you see my body, do you feel your heart racing?
Nii-san
you know
What is it?
To be honest, when we were all taking a shower together
I saw everyone's bodies!
I got the gist of it you don't need to go into details
ぼいーん
11
What should I do, Nii-san?
ぷるん
Is my body going to be like this forever...?

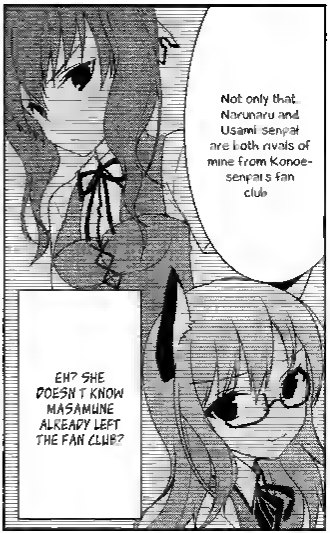
But I can't stand it
If this continues even Konoe senpai will dislike me

H-hey stop crying
Fuu ugu
Uhn hmm sorry

12

With both of them in the handcrafting club it's possible that this will end in combat
With you being one of the strongest in the handcrafting club
If that happens you can probably stop them you know?

I don't think he'd dislike you because of that
Besides Konoe is a girl



Not only that, Narunaru and Usami senpai are both rivals of mine from Konoe-senpai's fan club
EH? SHE DOESN'T KNOW MASAMUNE ALREADY LEFT THE FAN CLUB?

No, not necessarily
I'm in third place
Huh?
During the new student welcoming of spring this year we held a battle competition in which I came third
Two of the third year senpais were quite tough also
IT'S IMPOSSIBLE FOR SOMEONE IN HER AGE GROUP TO DEFEAT HER
BY MOTHER IN COMBAT SINCE CHILDHOOD, TURNING INTO A TINY BEAST
NO MATTER HOW YOU LOOK AT IT, THIS ONE HAS BEEN TRAINED
13
I'd rather not think or talk about it right now...
WHAT DID SHE ACTUALLY EXPERIENCE TO TRAUMATIZE HER LIKE THIS?
WHAT KIND OF DEMONIC DEN IS KOUKAN ACADEMY'S HAND CRAFTING CLUB...?

Anyway- I just wanted to ask.
From a guy's view point of view, am I attractive?
Even if you ask me that
APPEAL, EH...?
ALTHOUGH SHE IS KIND OF CUTE, SAYING THAT SHE HAS A NICE BODY WOULD BE PUSHING IT
THAT BABY FACE COULD BE MISTAKEN FOR THAT OF A MIDDLE SCHOOLER
ぬぎっ

14

Wait, why did you strip!?
So it would be easier to show off my charm
That's how you justify it!?
Why are you so anxious? I'm wearing underwear this is a normal thing for a brother and sister to do
It's definitely not normal!

L-look Nii-san,
If you're going to look, come closer...
So, what do you think..?
Calm down! I-
This girl is my little sister, and also my household's tiny beast...
What are you two doing?
Guh-
Masa-mune!?
U-USAMI-SENPAI!? IT'S NOT WHAT IT LOOKS LIKE! THERE'S A REASON!!
PLEASE, KUREHA, IF I'M THE ONE WHO DOES THE TALKING SHE PROBABLY WON'T BELIEVE...

What the heck are you saying!?
But... Ni-san said he needed to see everything
I really didn't want to!
Now Masamune will definitely misunderstand...
Fuu~ is that right?
EH?
Even if what you just said is true
It can't be helped After the shock I sustained seeing Usami-senpai's and everyone else's naked bodies it was hard for me to say something!
EH...!? I THOUGHT THE TOPIC WOULD SHIFT TOWARDS SOMETHING EROTIC
I'm sure you two had a good reason but you have to be more careful
If anyone else had seen it it would have caused a misunderstanding
Anyway Sakamachi
Nakuru is looking for you
Oh, then I'll return to my room!

How come you're so calm?
It's nothing
That type of closeness is pretty normal for a brother and sister that have a good relationship

AM I JUST THINKING TOO MUCH...? OH WELL, FORGET IT.
...Eh?
So, Masamune ...
What?

Why did you come into this room?
Our room is next door
Eek...

W-wrong room!
I wasn't looking for you,
you Baka-Chika!

Hmm
What time is it ?
ムク…
EVEN THOUGH IT'S DARK AND I CAN'T SEE WELL, EVERY-ONE SEEMS TO BE ASLEEP
THE OLD MAN IS SLEEPING ON THE BALCONY

I FEEL THERE'S SOMETHING SHE'S HIDING FROM ME
...SAY, I WONDER WHY SUZUTSUKI WOULD COME TO A PLACE LIKE THIS

SUCH A RARE OCCASION TO BE AT A HOT SPRING RESORT I SHOULD TAKE A BATH AND THINK
I'M AWAKE NOW...

AS EXPECTED OF A HIGH CLASS HOTEL
EVEN THE HOT SPRING IS IN A LARGE LUXURIOUS GLISTENING POOL

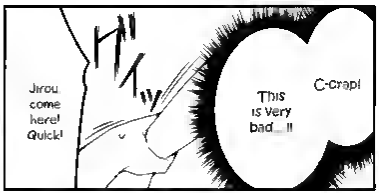
Ko-noe !?
This is the men's bath, you know!?
Ji-
!?
Jirou!?
If I was spotted going into the women's bath it would be bad!
Even so
Why is Jirou here at a time like this?
Haaa...
Seems like I woke up in the middle of the night

S-sorry pardon me!
Don't look! Get out!
Wait, why am I having a normal conversation?

Haa

That voice- it's Konoe Nagare!?
!?
Anyone in here?

What kind of situation is this?
This-



Jirou come here! Quick!
This is very bad...!!
C-crap!

21

Konoe, you can hide behind me right?
H-hmm

Oh, what are you doing in here at this hour?
When I woke up, I noticed that your futon was empty,
so I figured that you were probably in the bath
ガラッ
So it is you you damn brat

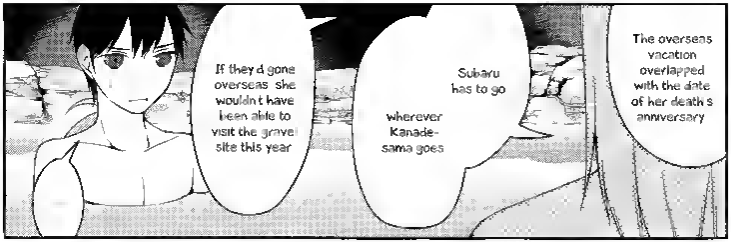
22

Grrr...
The two of us are just friends
Our relationship is that of close friendship between two classmates
Hmph, that's fine then.

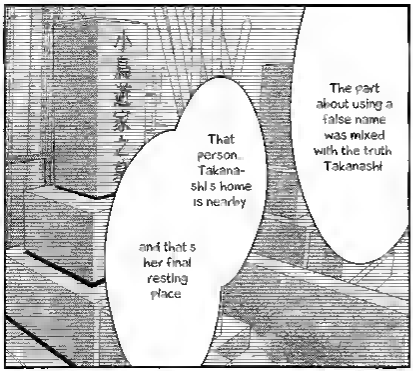
What is your relationship with my daughter?
Actually, I have things that I want to talk to you about

Don't tell me... you've already !?
はぁ
What do you mean "already"!?

You worry too much
What kind of parent wouldn't worry about their kids?
Geez I didn't even say anything about Kanade-sama running away from home
Why are you suddenly talking about them running away?
Did Ojou-sama and Subaru not tell you?
Suzutsuki said she didn't want to go overseas with her parents for vacation.
Well, that's one of the reasons
23
But in truth there's another reason.
The day after tomorrow is the anniversary.
Anniversary?
That girl's ...
Subaru's mother's passing.
!!



The oversea's vacation overlapped with the date of her death's anniversary
Subaru has to go wherever Kanade-sama goes
If they'd gone overseas she wouldn't have been able to visit the grave site this year



小鳥遊家之墓
The part about using a false name was mixed with the truth Takanashi
That person... Takanashi's home is nearby
and that's her final resting place

That's why Kanade-sama chose the family-owned hotel that's closest to the gravesite as the location for her to run away to
So that's the reason

SO THAT'S THE REAL REASON BEHIND THIS TRIP TO "ELOFE"
SUZUTSUKI PLANNED ALL OF THIS FOR KONOE
WHY DIDN'T SHE JUST TELL ME?

But is this really alright, given that you were ordered to bring Suzutsuki back?
I was just interacting with the main household
"Oversea vacation canceled", or something like that
Really... canceling it so easily, nothing is going to happen
Then it's about time I took my leave
That was fast
I just wanted to ask about your relationship with Subaru
I'm going back to sleep
25
The master probably changed his mind on a whim
W-well...
IS THERE A REASON WHY YOU CAN'T TELL ME?
Say, why didn't you tell me about the anniversary of your mother's death?
Ah...
It's fine now, Konoe.

You have to go to the restroom ...?
holding it...
I've been
N-no reason
A-Actually
Ji Jirou can I tell you about it later?
Why?

Hey, you damn brat!
Um yeah I'm sorry
Hu-
Hurry up and go
I'll avert my eyes

In fact,
Surprisingly, I have a bad feeling about this...!!
!!!?
W-what is it? You're still here?
Nothing... actually, I just want to ask you something, you bastard.
just now in the dressing room,
I discovered some
female underwear in a basket. Who does it belong to?
27
You damn brat-ahhhh!
C-CALM DOWN THIS IS A MISUNDERSTANDING!
Words are useless now!!!
This time next year,
it will be the anniversary of your death, you bastard.
Actually, I have that kind of fetish...
Ah ha ha.

AHHH-
IT'S GOOD TO BE ALIVE-
EVEN IF I GET BEATEN UP AFTERWARDS, I WON'T REGRET THIS.
IN FRONT OF ME IS KONOE, AS SHE WAS ON THE DAY WHEN SHE WAS BORN.
This time I'll really be killed!
Ginyapa!?
*Shun!
?
I'm sav..
saved -?

Ed. Just wait for the full vol release, I don't want to edit it twice

Konoe-senpai, you look tired! Did something happen?
Nothing. Seems like I forgot something from last night
Baka-Chiki, what's wrong with your head?
Subaru-sama, do you want more to eat...?
30
Subaru really wanted to keep this from you
What does that mean?
That Nagare, really...
As a parent who doesn't understand his daughter's feelings...
ALSO, SHE DIDN'T TELL ME WHY SHE DIDN'T REVEAL THE TRUE REASON FOR THIS TRIP
DID I DO SOMETHING TO KONOE?
Hey, Suzutsuki!
The reason for this vacation is to visit Konoe's mother's gravesite right?
Wait, you know everything?
